Springtime Books

Services

All our authors are offered a comprehensive, personalised publication package

---

A full and honest assessment of your manuscript to include:

- Initial read-through and professional assessment of up to 3000 words
- Detailed advice about how to prepare your manuscript for design, layout and publication
- Assessment of your social media needs

A big picture edit
This will highlight any inconsistencies in plot, themes and content together with suggested improvements.

A thorough proofread

Top quality design and layout
This will include a one-to-one consultation with your choice of designer for the layout and design of your book. You and your designer will agree cover art and finish, font types and any graphics or design ideas you would like to incorporate. He/she will work closely with you to ensure your book is exactly how you would like it to be.

Front/end pages
This is the production of your front and end pages (biography, bibliography, preface, foreword etc).

ISBN
We will provide an official ISBN for the print and ePUB versions of your book.

Production and publication of paperback
We will work closely with you on the production of your book, ensuring you have a final manuscript ready to go to your chosen designer. Once you have a final print-ready PDF it will be thoroughly checked for errors.❷

Proof copy of your book
This will be available for you to approve before your book goes 'live'.

Kindle and ebook publication
Your book will be converted to both ePUB and Kindle formats and made available for sale via a variety of global e-book retailers including Amazon, Kobo, Nook from Barnes and Noble, Apple iBooks and Smashwords.

Global online bookstores
Your book will be placed for sale worldwide.

Book orders
You will be able to buy additional books at a substantial discount and have them sent anywhere in the world (minimum order 10 books).

Royalties
Royalties increase from 50% to 60% once you have sold 1000 books in any given quarter through retail sales.

Featured Page
Your book will be featured on the Springtime Books website with buying links, author profile and the best of your reviews.
